Preparing for Your Visit

There is often a line for services at the Center for Public Health. These tips will help you get ready for your visit:

- Be prepared to wait. Bring a book, crossword puzzle, or other activity to keep you busy during your wait. If you are bringing children, this is even more important. Activity books are suggested.
- Eat something before you arrive. Eating and drinking are not allowed.
- Children must be accompanied by an adult at all times.
- If your child is getting an immunization, bring his or her yellow Immunization Card so it can be updated.
- Be on time if you have a follow-up appointment or it may be rescheduled; if you need to cancel an appointment, do so at least 24 hours in advance.
